HERE'S HOPING**

What Bella Freud sure knows how to throw a party. At Rock On, the latest of her now-legendary fundraisers for The Hoping Foundation, Florence Welch duetted with Jamie Hince on 'I Heard it Through the Grapevine', while Kate Moss wrapped herself around best friend Stella McCartney, and Patti Smith got a standing ovation before she'd even sung a note

Food & drink Skye Gyngell provided dinner; Moët champagne, Heineken beer and Gordon's cocktails
